OBJECTIVES AND ACCOMPLISHMENTS -- INSPECTION DIVISION/
OFFICE OF INSPECTION & SECURITY

Objectives:

1. To provide for the DCI an inspection service for all activities of the Agency for the purpose of providing efficient determination of status and preparation of appropriate recommendations.
2. To establish contacts and liaison with all domestic and foreign operations of the Agency to enable expeditious inspection. As a corollary, to establish a schedule of periodic visitation to foreign stations for purposes of observation and consultation, with a view toward effecting improved understanding and consequent increased efficiency.
3. To increase the knowledge of Inspection Division personnel in all phases of Agency activities and anticipated problems in order that the scope of support and guidance provided by the division may be more diversified and authoritative.
4. Through the selection and thorough indoctrination of personnel for permanent assignment to operational missions as security officers, to provide competent specialized security service through Agency operations, projects and missions as required.

Accomplishments: (Fiscal Year 1951)

1. In connection with assigned responsibilities under the provisions of NSC-29:
 - a. Engaged in repeated conferences with officials of the Department of State in the determination of means to be employed in carrying out the joint CIA-State objectives of NSC-29.
 - b. Engaged in extensive discussion and prepared security evaluations and recommendations for incorporation in the research studies conducted in ORE/OR&R dealing with strategic materials in:

25X1A

25X1A

3. Inaugurated a special training course for the intensive indoctrination of selected personnel for specialized I&S duties (3 sessions of this course have been completed to date. Course covers a 3 week period. Next session begins 27 August).
4. Maintained continuing security service to the Office of Procurement in connection with the processing of security clearances for private contractors and the personnel thereof engaged with classified contracts. Performed security surveys at the plants of private contractors to determine compliance with CIA security requirements. Provided security policy and guidance to Procurement personnel on special problems.
5. Carried out numerous special assignments as directed -- dealing with personnel cases, project security, incidents, procedural surveys, inventory supervision, property utilization, cover contacts, etc.
