Agency Training Directors

Each year advisors from the nine participating universities in the Education for Public Management Program meet in Washington to review their programs. This year the meeting will be held on February 13 and 14 at the Civil Service Commission Building in Room 5323.

We are inviting representatives of the training community to join us on Thursday afternoon, February 13, for an informal discussion of the EPM Program. We feel this is an excellent opportunity to bring Federal training officials together with representatives of the university community to explore mutual concerns and exchange ideas. We hope your schedule will permit you, or a representative, to attend this session.

Thursday afternoon's program is planned to begin at 1:30 p.m. and will last until 4:30 p.m. Please call Tony Ryan on (202) 632-7624, to let us know whether you or a representative will attend, and if there are any particular subject areas you would like discussed at the meeting.

Sincerely yours
