Attached for your consideration is the nomination of 25X1A 25X1A SPS-7, OD&E, for the Spring 1974 M.I.T. Program for Senior Executives. This Program, while under the jurisdiction of the Training Selection Board, is paid for by the sponsoring component and OD&E has agreed to pay the tuition and other expenses.

Before circulating these papers to you I discussed this nomination with the Chairman/TSB who has asked that I advise you of some reservations (quoted below) he has regarding this application:

"The age and educational background of the applicant for this particular program. However, I do not feel these are necessarily good enough reasons for denying him the opportunity. At age 51 and an expenditure of approximately \$8000 we should give this application a good hard look."

I should appreciate your telephonic reaction to this nomination so we may meet the M.I.T. deadline of 1 December.

While I have reservations about age, educational background and Agency tenure, I am inclined to go along with this nomination on the grounds that it would be most beneficial to the Agency in future assignments with his component 25X1A
