SUBJECT : Vital Material Schedule

REFERENCE : LI 40-6-4 dated 6 January 1956

1. In view of the experience gained during Operation Alert 1956, it is requested that each Staff and Division Chief review the existing schedule of recurring vital material, which is published as Attachment 1 to referenced instruction.

2. Recommendations for additions, deletions or revisions to this schedule should be submitted to the Administrative Staff not later than 19 September.
