WASHINGTON 25, D. C.

OFFICE OF THE DIRECTOR

Honorable Charles E. Wilson  
The Secretary of Defense  
Washington 25, D. C.

Dear Mr. Secretary:

Representatives of my office have discussed with representatives of your office our desire to be permitted to call upon individuals listed in your Security Hearing Board Roster, established pursuant to Executive Order 10450, to serve on Boards to be convened by this Agency. In return, we would be pleased to nominate individuals of this Agency for service on Boards convened to hear cases involving members of the Department of Defense.

I would like formally to propose this arrangement which I feel would operate to our mutual benefit. If you concur, I shall be glad to have members of my staff work out the details with appropriate members of your office.

Sincerely yours,

Allen W. Dulles  
Director
