MEMORANDUM FOR: Chief, Management Staff

SUBJECT : Machine Tabulation of Data on International Broadcasting

REFERENCE : Memorandum, dated 19 August 1954, to the DD/A from the Chairman, Inter-Office Telecommunications Committee; subject as above.

1. Referenced request for five additional T/O positions and personnel ceiling authorizations has been reviewed. This Office approves the requested classifications for 4 additional GS-4 Card Punch Operator positions and 1 GS-4 Tabulating Machine Operator position, in the Office of Collection and Dissemination.

2. Although it is not clearly indicated in the basic request, the Executive Officer, OCD, has advised that these additional positions are to be assigned to the Operations Branch, Machine Division, Office of Collection and Dissemination rather than to the Special Register Division, OCD, which is furnishing machine support on classified data of this program.
