MEMORANDUM FOR: Director of Security

SUBJECT : Cover Branch

1. Will you convey to each member of the Cover Branch my warm appreciation for the excellent record earned by the Branch since its inception over a year ago. Working under difficult circumstances, the Cover Branch has made an important contribution to the Agency's overall program. The operations of the Branch have focussed attention on certain serious problems, and have pointed out how these problems might be overcome. There is no question but that the work of the Cover Branch will benefit the Agency's cover operations for a long time in the future.

2. Again, I wish to acknowledge my pleasure in giving recognition to those members of your staff who have worked directly on the cover problem.
