MEMORANDUM FOR: Director of Security

SUBJECT : Commendation of Security Officer Personnel

I have noted with pleasure the commendations expressed by the Chief, SR Division for the work of two of the security officers assigned to the Security Office. The contribution made by these two members of your office reflects creditably upon the DD/A organization in general and, more immediately, upon the Security Office. I believe that these two officers should derive real satisfaction from this recognition of the value of their contribution. Will you let them know of my own appreciation for their fine performance.
