Dear Harley:

Mr. Garrison advised me a few days ago that your tour of duty with the Agency would soon terminate and that you would be returning to the Army for a new assignment.

I would like to express my sincere appreciation to you for the splendid job that you have done for us in reorganizing and developing an effective transportation system. It was not an easy task which we asked you to undertake about two years ago when our needs had far outdistanced our organization and its capacity to meet them.

Your devotion to duty in the application of your outstanding qualifications as a transportation specialist has been of the highest order and your accomplishments have been great. You have established a system which I feel will be in existence for a long time and I wish to express my sincere appreciation and that of the Agency for your splendid performance.

May I wish you continued success and happiness in your new assignment.

Sincerely,

/s/

L. K. White
Acting Deputy Director
