

CONFIDENTIAL

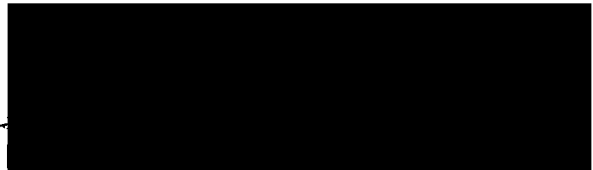

9 November 1954

MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT: Overt and Semi-covert Consultant Report

It is my feeling that it would be wise not to have too many copies of this report in circulation. Will you, therefore, please give consideration to having one copy sent to your office to be routed through the Comptroller, Chief of Management Staff, and Director of Security or whichever one of your offices which you prefer to have retain the master copy.
