MEMORANDUM FOR: Special Support Assistant to the Deputy Director (Support)

SUBJECT : Division of Responsibilities and Functions as They Pertain to the Planning, Implementation and Operation of Proprietary Projects

1. One of the recommendations made in connection with a survey of the Office of the Comptroller was that an increased T/O be provided for the Proprietary Accounts Branch of the Finance Division.

2. Before acting on this recommendation, I asked the Management Staff to look into the situation and let me have their views. As indicated in the attached study, there are apparently some gray areas in the understandings which exist in various quarters as to where responsibilities rest with regard to proprietary activities.

3. Would you therefore assemble a committee consisting of representatives of both DD/P and DD/S elements to prepare a study as recommended in paragraph 5b of the memorandum from the Chief, Management Staff. The recommendations to be made by the committee should be presented for consideration by the DD/P and DD/S.
