SUBJECT : Proposed Regulation No. [REDACTED] Official and  
Nonofficial Cover Responsibilities  
(Job #957-REB)

25X1A

1. It is requested that subject regulation, which is submitted for your concurrence, be given immediate attention.

2. This regulation was drafted by the Chief, FI, DD/P. He states: "The uncoordinated activities, in the field of cover, by Agency operating units have resulted in frequent embarrassment, and sometimes jeopardized the continued employment of highly useful non-official cover devices, and have threatened to mar the reputation of the Agency among the American business and governmental communities. It is believed that the proposed regulation will provide the necessary instrument for achieving a much higher order of coordination of the Agency's cover activities than presently obtains."

3. Request that your comments and concurrence be indicated on the attached Concurrence Sheet and returned to this Staff by 18 February 1955.
