MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Proposed Revision of [REDACTED] Organization  
(Job #974-BEM)

25X1A

25X1A

1. There is submitted herewith for your approval and authentication by the Director of Central Intelligence, a revision of Regulation No. [REDACTED]

2. The organization chart has been redrawn to reflect the current organization of the Office of the Deputy Director (Support) and the Deputy Director (Plans). The only change under the Deputy Director (Plans) is the deletion of "Administration Staff" and the addition of the "CI Staff."

3. No changes have been made in the text except those necessary to show new official titles.

4. It is understood that these organizational changes have already been approved by the Director, therefore no coordination has been effected.
