MEMORANDUM FOR: Chief, Regulations Control Staff

SUBJECT: Revision of Notice [redacted] The Career Council and the Career Services, Career Development of Junior Personnel.

25X1A

1. Attached is a proposed revision of Notice [redacted] Career Development of Junior Personnel. 2. This revision was prepared with the assistance of Mr. [redacted] of the Office of Training, and a copy has been forwarded to the Director of Training for his information. It is suggested that no further coordination be effected for this revision since the two Offices concerned participated in its preparation.

3. Concern has been expressed in a number of areas because the Notice as re-issued on 23 May 1955 (at the request of this Office) does not reflect current policy. For this reason it is requested that the notice be re-issued as speedily as possible in order to remove the confusion which the re-issuance of [redacted] on 23 May stimulated.

4. This office has in preparation Regulation [redacted] which will incorporate the notice on the Career Development of Junior Personnel [redacted]. Since this Regulation will be much more extensive, including both policies and procedures, than anything heretofore issued on this subject. It will require extensive coordination and cannot be ready for publication for a considerable period of time.
