MEMORANDUM FOR: Director of Personnel

25X1A9a

SUBJECT : Career Development of Mr. [REDACTED]

1. The Administration Career Board has reviewed and recommended approval of the attached proposed career development program which would train Mr. [REDACTED] in foreign intelligence operations. In recommending approval, the Board recognized that Mr. [REDACTED] has a dominant interest in operations work, and that this proposed development plan might lead to the assignment of Mr. [REDACTED] to operations duty rather than administration. In the opinion of the Board, however, it would be in the best interests of the Agency for Mr. [REDACTED] to receive this training. The Board further recommended that, upon completion of training, Mr. [REDACTED] be considered for assignment possibilities in both administration and operations activities.

2. I have approved the recommendations of the Board, and endorse the proposed development plan for Mr. [REDACTED]. If the training results in the assignment of Mr. [REDACTED] to foreign intelligence operations, his background in administration will be a valuable asset. If Mr. [REDACTED] should return to primarily administrative duty, the operations experience which he will acquire in the proposed program will make him a more effective administrator.
