MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Efficiency Reports on Army Officers

Colonel Rodgers of G-1, who played an important role in the Army's turn-down of our previous request, has been rotated. His successor, Colonel Chabot, now strongly supports our stand that civilian raters and officers from other services should be permitted to use the Army's report form. To what extent General Ridgway's previous opposition was influenced by Colonel Rodgers remains to be seen. In any event, there appears to be a good opportunity to achieve our objective and Colonel Chabot feels that the attached memorandum from the Deputy Director would be of great help to him in obtaining for us the changes which we desire.
