MEMORANDUM FOR: Assistant Deputy Director (Support)

SUBJECT: Confidential Funds Regulation 10.1, "Tuition"

REFERENCE: Memorandum to DTR from ADD/S, Subject: "Survey of CIA Regulations," dated 13 November 1956

1. Confidential Funds Regulation 10.1 is intended to provide the funds for schooling which has as its purpose furthering an operation rather than providing instruction for an employee. The General Counsel has informed me that the authority for this, exercised by the Deputy Director for Plans, comes from Section 10 of Public Law 110.

2. My authority to provide funds and arrange for employee training for training purposes, as contrasted to operational purposes, at non-Agency facilities has been delegated to me from the authority given the Director in Section 4 of Public Law 110. This delegation is in Regulation [REDACTED]

25X1A

3. I believe, therefore, that CFR 10.1 is not within my area of responsibility but is of primary concern to the Deputy Director for Plans, and have so informed the Regulations Control Staff.
