MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Revision of Agent Contracts

REFERENCE: Memorandum to D/Pers from ADD/S, dated 24 Jan 56, Review and Revision of Contracts with Individual Contract Personnel.

1. This memorandum is for information only. It reports progress on the revision of agent contracts in light of the Office of General Counsel opinion relating to the taxability of allowance payments to independent contractors.

2. As of 30 March 1956, requests for contract amendments have been received from five offices, involving a total of thirty individuals (of a possible total of [redacted]). Most of these requests were received toward the end of the month. The SSA/DDS has been asked to follow-up with the divisions which have not yet reported.

3. OGC concurrence has now been received on the legal form of a proposed amendment involving the question of placing a valuation for tax purposes on quarters furnished by the Agency, and it appears that most amendments can be processed on an expeditious basis as requests are received.
