MEMORANDUM FOR: COMPT. D/CO D/L D/S DTR

THROUGH: DD/S H.G.L. 5/7/52

SUBJECT: Status of CIA Military Reservists in the Event of Mobilization

STATINTL

REFERENCE: CIA Notice No. [redacted] dated 10 Jan 1956

1. The Office of Personnel has screened the individual statements of preference for military reservists processed in accordance with referenced Notice and forwarded category listings to the Office of the Secretary of Defense. In the great majority of cases it has been possible to comply with the wishes of the individual. In statements where no preference as to Mobilization Assignment was expressed, the recommendations of the Operating Officials were followed in so far as practicable.

2. There were a number of employees having an unexpired statutory reserve obligation who chose Category 3, that is, deferment from active duty to continue in their current civilian occupation. The Agency determined as a matter of policy not to request deferment for such individuals.

3. The attached list of reservists employed in your office appear to have such an unexpired statutory reserve obligation and have therefore, in accordance with Agency policy, been placed in Category 1 pending completion of this obligation. At that time, if they elect to remain in the Reserve Forces and wish to transfer to the Standby Reserve, they may contact the Office of Personnel to arrange for a change in their CIA category.

4. You are requested to convey this information to the reservists whose names are attached. Sufficient copies of this memorandum are enclosed for this purpose.
