Dear Mr. Dulles:

[Redacted] STAT

The tentative plans for resolving the Federal building situation for this community contemplate the erection of a Federal building on a Government-owned site, or on a site to be acquired.

In order to determine current over-all space requirements for the city, it will be appreciated if you will submit appropriate forms covering your needs for federally owned space directly to this office in view of the fact that the on-site survey has been concluded.

To facilitate a determination as to whether this project should be appropriately considered for accomplishment, it will be appreciated if you will submit the information requested as expeditiously as possible.

Sincerely yours

(SIGNED) WILLIAM A. SCHMIDT
