Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

Our letter of May 31, 1956 concerned the proposed construction of buildings to accommodate your activities in certain critical target areas and requested a determination of the need for locating the proposed functions in these buildings. Criteria to assist you in making the determination was furnished in this letter.

We have received copies of your determination for the buildings specified at that time and are now requesting that a determination be made for your headquarters building to be located at Langley, Virginia.

An early reply would be appreciated.

Sincerely yours

(Signed) Fred S. Forman
