Dear Mr. Lloyd:

I am interested in the barber shop construction in the CIA building to be erected in Langley, Virginia.

I can now in the Barber Shop District and I have had many satisfied customers in the Air Force that I can furnish you as reference as to my character and business ability. I can also furnish you several business men in the area as references.

My financial structure is sound in that I own several commercial buildings and other holdings as further evidence of my business ability.

Any consideration that you may give me on this matter will be greatly appreciated.

Sincerely yours,

Roberto DiMatteo
