Jim:

I wish you would please check on the action we have taken on cables IN 33666 from [REDACTED] (dated 12 Jan 57) and IN 44298 from [REDACTED] (dated 8 Feb 57) and let me know why we have not advised the field what we are doing to meet their requirements. Also, please refer to IN 14949 from [REDACTED] (dated 7 Mar 57) which refers to the above cables and states: "...within 3-4 months financial property accounting [REDACTED] will completely deteriorate if personnel not available soonest to fill existing stock control vacancies." I would like you to give this your immediate attention.
