MEMORANDUM FOR: Director of Central Intelligence
THROUGH : Deputy Director (Support)
SUBJECT : Report for Chairman, Subcommittee on Government
Employees' Security Program

1. This is for the information of the Director of Central Intelligence and for signature of the attached letter to Senator Olin S. Johnston.
2. The individual mentioned in paragraph 2 of the attached letter was employed by the Agency on 15 February 1952 and resigned on 27 January 1956. This resignation followed a polygraph interview in which information regarding homosexual activities was developed.
3. We have checked into the matter of how he could be employed by another Agency following his departure from CIA and have found that he was restored to the position in the Post Office which he left prior to coming to CIA. In view of his having re-employment rights with the Post Office, there was no requirement for the Post Office Department to check with the Civil Service Commission to whom we had reported this case through special channels.
