MEMORANDUM FOR: Director of Logistics

SUBJECT : Logistics Training for Administrative Personnel

REFERENCE : Memo for DD/S fr D/OL dtd 27 Mar 57, subj: Recommended Logistics Training for Administrative Personnel

1. As you know, it has been my aim to build a competent corps of Administrators, experienced in one or more of the support specialties as well as the Administrative process. Naturally, an extensive program of development is necessary to achieve this goal; therefore, I am most anxious to utilize established support courses or planned orientations as deemed appropriate.

2. Since reference reflects lack of sufficient enrollment of administrative officers in the Logistics Support Course, I have accordingly asked the Secretary of the Administration Career Board to schedule administrative officers for the Logistics Support Course or appropriate logistics orientation prior to departure for a foreign assignment.
