MEMORANDUM FOR: [REDACTED]

Chief of Operations, Office of the Deputy Director (Plans)

SUBJECT : Publications Control Unit

Dick:

I had only one objective in mind in proposing that the Publications Unit stop reviewing Agency Regulations and that was to save a few positions.

There was a time when I would have agreed that this additional review was entirely justified. However, with more and more Support personnel having had the benefit of overseas experience and working in or closely with DD/P elements, I believe there is a sufficient understanding of the DD/P mission to protect its interest. Nevertheless, I do not wish to question your right to continue this review and therefore accept your alternate proposal of transferring the Publications Unit to the Office of the Deputy Director (Plans).
