MEMORANDUM FOR: Director of Personnel
SUBJECT : Loss of Experienced Employees
REFERENCE : Your memorandum, same subject, dated 28 January 1958

1. In response to your request in referenced memorandum, I have reviewed the reasons for the resignation of professional personnel GS-11 and above for the year 1957. During that year, we lost 4 capable people, one to return to active duty in the Navy and 3 to private industry. This would seem to be a normal, or better, attrition rate especially for scientific and technical personnel.

2. OSI personnel do receive occasional offers of positions from commercial companies but I believe these are made through friends and acquaintances which is a fairly normal procedure. I do not believe that specific outside employers are trying to recruit OSI personnel.
