

CONFIDENTIAL

Approved For Release 2001/08/10 : CIA-RDP78-04718A002600170046-7

Office Memorandum • UNITED STATES GOVERNMENT

TO : Director of Personnel

DATE: 14 February 1958

FROM : Director of Training

SUBJECT: Loss of Experienced Employees

I have no evidence which indicates that any specific outside employer has decided that CIA is a good place in which to recruit on a systematic basis. The few individuals in this Office who have resigned have gone for a variety of reasons, with no significant trend noted in any particular direction.
