Dear Mr. Flemming:

In reply to your letter of 12 December addressed to Mr. Dulles, enclosing Dr. Burkhardt's communication, we shall be glad to assist in the survey being performed by the American Council of Learned Societies. While it is true that we cannot give all the statistical data that is desired, we may be able to assist in a general way.

I am identifying to Dr. Twaddell two members of our Agency with whom he or his staff may confer.

Sincerely,
