MEMORANDUM TO: Colonel White

SUBJECT : Status of Project Review Committee Regulations

25X1A9a

25X1A9a

25X1A9a

1. [redacted] advises that as of today (Tuesday) all the comments are in on the above regulations except those from DD/P. Mr. [redacted] was to see Mr. Wisner this afternoon and after this conference [redacted] of RCS, was to go over to pick up the material.

2. Up to now, the major point raised by any of the components is the request from the Assistant Director for Communications that he be authorized to approve projects under his jurisdiction up to the amount of \$25,000.00 without the necessity of reference to the PRC. This would put him in the same position as the Deputy Directors as far as this type of authority is concerned.
