REQUIREMENTS FOR PROGRAM SUBMISSIONS.....	

1. GENERAL

This Regulation prescribes standards and procedures governing the submission of programs to the Project Review Committee.

2. SUBMISSION BY CHIEFS OF MAJOR COMPONENTS

- a. Chiefs of Major Components in which activities are planned on a program basis, i.e., programs composed of integrated projects which cover specific operational activities, shall submit annual operational programs to the Recording Secretary of the Project Review Committee beginning not later than the second week in April each year.
- b. Chiefs of Major Components or their designees shall coordinate with the Recording Secretary of the Project Review Committee in order that programs may be submitted at such intervals as will ensure a program being available for Committee consideration each week.

3. REQUIREMENTS FOR PROGRAM SUBMISSIONS

Programs shall be submitted to the Project Review Committee in accordance with the following requirements:

- a. Projects which previously have been considered by the Project Review Committee and approved by the Director of Central Intelligence shall be identified and described briefly, including:
  - (1) A statement of authority.
  - (2) A statement of objective(s).
  - (3) A statement of estimated personnel and materiel requirements.
  - (4) A statement of estimated total cost; and
  - (5) If any major variation is contemplated, details of the planned modification, including details of any major changes which have been authorized and put into effect during the past fiscal year.
