MEMORANDUM FOR: Colonel White

SUBJECT : Proposed Regulations Dealing With Project Review Committee

*Reg -* [Redacted]

1. The attached file has been returned by Mr. [Redacted] with the note "Have read with care. No minor changes to propose. Do not concur for reasons stated in separate memo to DDCI and DCI."

25X1A9a

2. I have not seen the memo from Mr. [Redacted] however, I understand that it is a major non-concurrence and probably would be the subject of much discussion prior to resolution.

3. If a considerable period will, in fact, be required to discuss and implement Mr. [Redacted] suggestions (if accepted), should we tell [Redacted] to release the proposed Regulations for coordination and eventual publication?
