

ER-4=0043

MEMORANDUM FOR: Assistant Deputy Director (Administration)

FROM : Acting Chief, Logistics

SUBJECT : Electrical Power Survey [redacted]

25X1A6a

REFERENCE : Memorandum from [redacted] to ADD/A, same subject dated 30 April 1953.

25X1A6a

1. A survey of [redacted] was made on 6 May 1953 with reference to improvements and additions to the emergency power equipment as noted in reference memorandum.

25X1A6a

2. The survey substantiates the statements in the reference memorandum and the estimated cost included for [redacted] (\$12,000.00) is considered adequate for equipment, material and services required. \$6,000.00 should be added for installation of transformer and wiring required. [redacted] cost was not included in reference memorandum. It is estimated that \$6,000.00 will be required to adequately house and install the recommended 60 KW generator.

25X1A6a

25X1A6a

3. [redacted] advises that in discussing this problem with ADD/A, it was indicated that if the project was approved, fiscal year 1953 funds would be allocated.

25X1A6a

4. It is recommended:

a. That the action as recommended in reference memorandum be approved.

b. That funds in accordance with estimate of \$24,000.00 be approved in order that this Office may prepare necessary contract documents and award contract using fiscal year 1953 funds.
