REF : and Personal Effects or Official Supplies and Equipment
REF : CA-2005 dated April 26, 1971

JOINT STATE-AID-USIA MESSAGE

Posts are advised that a Transportation Account Code (TAC) number has been assigned by the Defense Transportation System (DTS) to each Government agency utilizing the services of the Military Airlift Command (MAC) for transporting shipments of household goods and personal effects or official supplies and equipment. Each Government agency must show the appropriate TAC number assigned by DTS to that Government agency when MAC has performed the transportation service.

The Department of State has obtained the TAC number for the following agencies:

Agency

TAC Number

Department of State	A-581
Agency for International Development	A-814
United States Information Agency	A-592

On State Department shipments particularly, some posts have not furnished the required identifying and accounting data to the Office of Financial Services (FS/FD), as outlined in CA-2005. As a result, FS/FD is unable to identify the consolidated MAC billings and must refer the bill to the post, which delays payment and creates unnecessary correspondence. Posts are again reminded that they must furnish FS/FD/V shipment identification
