DIA DECLASSIFICATION/RELEASE INSTRUCTIONS ON FILE

FOUO-6107/SA-6

13 MAY 1965

25X1A

SUBJECT: Project HELPFUL

TO: Director
Central Intelligence Agency
Washington, D. C. 20505

1. I was recently advised that the Central Intelligence Agency is interested in this Agency conducting a project similar to Project ██████ for personnel of your agency.
2. I was very pleased to hear of this consideration as I believe such a program will be most beneficial to all concerned. Accordingly, I would like to propose that the Defense Intelligence Agency conduct Project HELPFUL for the purpose of acquainting selected personnel in the Central Intelligence Agency with the organization, functions, and activities of this Agency. It is planned that members of the Joint Staff would also be invited to attend.
3. The Chief of the DIA Training Group has been directed to proceed with Project HELPFUL should you desire to accept this proposal. The first session could be scheduled in the fall, probably in October.
