2. The minutes of the Ninth meeting of the Support Development Panel were reviewed. The Executive Secretary noted that two of the assignments listed in paragraph 4. of the minutes had been changed. [REDACTED] who was originally to have been assigned to [REDACTED] as an Admin Assistant, has been assigned instead to the Office of Finance. This change was approved as a result of an appeal by [REDACTED] based on his short-range personal situation. The [REDACTED] requirement has since been deferred and discussions are now taking place as to whether or not it will be reactivated. [REDACTED] who was originally to have been assigned to the Logistics Services Division, has, with the agreement of the Offices of Logistics and Personnel, been assigned to the Office of Personnel. He is now working as a Personnel Officer in the Office of Security. The Panel concurred in these changes.
