TSD/TRNG MEMO NO. 66-74  
6 July 1966

MEMORANDUM FOR: Chief, TSD Support Staff

SUBJECT : TSD/Training Branch Projected Space Requirements

1. The TSD Training Branch presently occupies approximately 4350 square feet. This total does not include 775 square feet in the basement of East Building which has been allocated for a display room. This space is approximately one-half of the initial request for 1400 square feet to be utilized for this purpose.

2. In projecting TSD/TB's space requirements into the period 1975-1980 favorable consideration should be given:

- a. Two additional classrooms (20 ea) 1200 sq. ft.
- b. Three additional offices (2 ea) 645 sq. ft.
- c. Two target rooms 430 sq. ft.
- d. Two listening posts 430 sq. ft.
- e. Display room 1400 sq. ft.
- f. Increase storage and maintenance space. 500 sq. ft.

Total Increase	4605 sq. ft.
Present Space	4350 sq. ft.
TOTAL	8955 sq. ft.

3. The above space requirements are predicated on TSD's present commitment to train 100 CT's annually and a planned substantial increase in TSD inhouse training. This is in addition to the formal scheduled traditional TSD training activities which involves the maximum utilization of presently assigned training space.
