COMMENTS

This a most useful and necessary type of report. Following features are especially desirable

(1) Trends are pointed out in factual manner without extraneous analysis or material

(2) Timing is good. And <sup>recapitulation</sup> ~~summation~~ at the end of <sup>each</sup> ~~day~~ week is useful. If it could appear Monday so as to include the weekend take, it might be even better.

~~It is recommended~~ It is recommended that this report be continued as it serves a definite useful purpose.
