Navim radio from Riga Nr. 132/6..959 39 25/12 1030

Navim scheduled to Commanders of all ships.

As a result of storms the amount of floating mines in the Baltic has increased. It is imperative that all precautionary measures be taken - a strict watch of the horizon be kept. Position of floating mines to be reported instantly.

Radio from Leningrad Nr. 18 32 25/12 1200

Sea commanders of all ships.

The number of floating mines has increased due to the stormy weather conditions experience in the fall and winter. I suggest that all captains of vessels keep a lookout. In the event of mines being spotted, timely information required.
