TO : Executive  
FROM : Acting Assistant Director for Operations  
SUBJECT: Compensation for Mrs [REDACTED]

DATE: FEB 9 1949

25X1A5a1

1. It is the understanding of this office that the Chief, Inspection & Security, declined to grant security clearance to [REDACTED] on the basis of an intermittent Consultant, thereby necessitating other provisions whereby she may be reimbursed for services extended to the Contact Branch.

25X1A5a1

2. It is therefore requested that arrangements be made whereby [REDACTED] may be reimbursed on the basis of \$50.00 "per day of service" with a limitation of not to exceed \$50.00 for any one trip, plus travel expenses and \$6.00 per diem when applicable. In this respect, it is deemed appropriate from the security standpoint that reimbursement be made out of unvouchered funds.

3. Attached hereto is copy of memorandum dated 27 December 1948, which outlines [REDACTED] competency and justification for the request contained herein. The Assistant Director, ORE, has requested the services of [REDACTED] for "5 or 6" lectures.
