PROJECT TITLE

Proof Press -- NIS Program

PROJECT DURATION

Single Purchase of Proof Press.

DESCRIPTION AND SCOPE OF PROJECT

The Map Branch, ORE, recommends that the U.S. GPO-S provide proof press facilities, in order that the Reproduction Plant might fulfill the requirements of the NIS program. For this it is necessary to provide each of the several contributors with transparent plastic printings. Also, the Map Branch is responsible for providing various combinations on paper in both true and non-photographic colors. This is now done by makeshift adjustments on an automatic offset press which result in (a) Loss of time in adjusting the automatic offset press for paper and plastic printing; (b) Intolerable waste of plastics; (c) Inability to produce certain desired results; (d) Loss of offset press for other high priority work of a type for which the automatic offset press is specifically constructed. The recommendation is that CIA
