MEMO FOR THE DIRECTOR:

3 January 1949

The amount of \$30,000, approved for expenditure under Project ORE-21-49, has been taken from the Fiscal Year 1949 funds allocated for printing and binding. It is recommended that an additional amount of \$1176 for this project be approved subject to funds being charged against the same allocation. The available balance of Fiscal Year 1949 printing and binding funds are adequate to cover this charge.
