MEMORANDUM FOR THE RECORD

FROM: Acting Chief, Budget Division

SUBJECT: Transfer of GPO-State Printing Plant

1. On 7 January 1957 the undersigned met with Messrs. Perry and Lewis of the Bureau of the Budget to review correspondence between this Agency and the Government Printing Office and the Joint Committee on Printing relative to the transfer of the GPO-State Printing Plant to this Agency. After discussion and review by other interested Bureau of the Budget officials, it was determined that the Bureau of the Budget had no objection to the transfer. Mr. Perry stated that the transfer could take place without any formal request to the Bureau or any formal paper from the Bureau to us. It is further felt that the transfer of funds for the purchase of equipment should be made in such a manner so as not to involve a formal request of approval by the Bureau of the Budget.

2. M [REDACTED] of the Office of Logistics was notified of this action. [REDACTED] stated that they would proceed to effect the transfer by 13 January 1957.
