Assistant to the Comptroller

Procedure Regarding Debriefing of Employees with Support
Career Designations Returning to Headquarters on PCS

REFERENCE: Your Memo dtd 10 September 1956

3

This Office concurs in the proposed procedure for debriefing of DD/S returns with the exception of the plan provided in A(1) which imposes the responsibility of compiling, publishing and distribution of lists of returns upon the Director of Personnel. It would appear that this would be more appropriately a responsibility of the Area Division.
