2. The Agency staff reported as follows:

1990

11/26/80

17 August 1961

"It is our collective opinion that the copies sent to Czechoslovakia, Yugoslavia and the USSR should be recalled immediately for security reasons and that under no conditions should this paper be sent behind the Iron Curtain.

"We strongly recommend that you take up our comments with the Army representative on the NIS Committee and that you suggest to him that future studies give some credit to CIA under similar circumstances."
