MEMORANDUM FOR: Chief, Operations School
FROM : Assistant for Headquarters Training
SUBJECT : Weekly Activities Report No. 15
3-9 April 1957

I. SIGNIFICANT ITEMS

Nothing to Report.

II. OTHER ITEMS

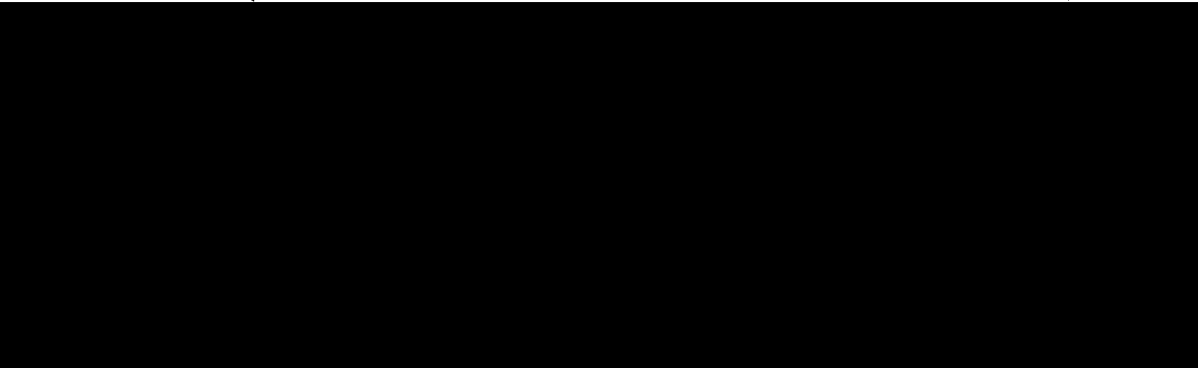

Plans

a. The next several sessions of the PP Seminar conducted by [REDACTED] will be devoted to a discussion of PP liaison operations. In anticipation of the sessions, [REDACTED] has put together an excellent agenda to guide the discussion.

Courses

b. Clandestine Services Review No. 16 commenced on 8 April with an enrollment of 37 students. This group appears above average and quite enthusiastic. The course got off to an excellent start due to the frank and forthright talk by Mr. White (DD/S) and an equally excellent talk by [REDACTED] speaking for the DD/P in place of [REDACTED].

c. Counterespionage Operations Course No. 9 ended on 5 April 1957. This class participated most actively in all discussions and showed a high level of interest. Their paper work, however, fell below the knowledge exhibited by them in oral discussions, and accordingly their evaluations will not reflect, in our opinion, the benefits which they derived from the classes. A course report is now being prepared.
