1. [REDACTED], Assistant Director, OCR, contacted [REDACTED] to request an estimate of training time required for developing a functional reading knowledge of scientific and technical Russian. He explained that this was wanted for long-range planning purposes.

25X1A

2. [REDACTED], Office of Research and Development, again consulted DC/LTS and [REDACTED] regarding a project on Russian dialect detection. This project, mentioned in a previous Weekly Report, is aimed at detecting the place of origin of speakers of Russian, and has already been contracted out to Professors Edmund Stan Kiewicz and Howard Aronson of the University of Chicago. [REDACTED] made some suggestions, of linguistic nature and otherwise, for improvement of the design of the project, which [REDACTED] noted for possible use.
