SUBJECT: Weekly Activities Report No. 18

A. SIGNIFICANT ITEMS

None to report.

B. OTHER ACTIVITIES

25X1A 1. The Intermediate Course in Spoken Thai which has been laid on for a student from FE Division at our new training facility [redacted] was discontinued after one class. FE offered to come up with another student, in order to salvage this laboriously laid on training course. However, this offer was withdrawn and LTS is out approximately \$500.00, not to mention damaged relations and embarrassment. We are having some new Thai training materials developed so that this effort is not a total loss. [redacted] has discussed this matter with [redacted].

25X1A 2. [redacted] spent the morning of 13 July at Headquarters of the Defense Language Institute (DLI) in conference with [redacted]. They reviewed the outline for the lesson units to be prepared for the overseas language training program of DLI. This is in preparation for [redacted] detail to DLI for the first 3 weeks in August, at which time he will be at DLI/WC (Monterey, California) assisting and guiding the preparation of their OLTP course materials in Chinese. The DLI has requested that [redacted] detail be moved forward a week to include the last week of July and the first 2 weeks of August. Since this can be done with a simple change in the date of [redacted] orders we have concurred in the request.
