MEMORANDUM FOR: Chief, Medical Staff

SUBJECT : Application of Bioelectronic Techniques and Systems to Monitor Human Physiological Responses

REFERENCE : Memo dtd 30 Nov 62 to DD/S fr C/MS, D/S, D/CO, and C/ADPS, same subject

The recommendations made in paragraph 5 of reference memorandum, which would permit the implementation of the bio-electronic techniques project, are approved in principle. The Deputy Director (Support) has neither the funds nor the authority to commit the Agency to this program. It does, however, have my full approval for presentation to the Research and Development Review Board and, contingent upon the approval of this Board, to the Comptroller for the necessary funds to implement the program.
