MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Weekly Report of the Office of Training

1. Language Proficiency Testing

It has been noted that in quite a few instances FODs who have claimed language proficiency wish to disclaim oral proficiency when they present themselves for testing. The disclaimer form will be forwarded to the Office of Personnel with the Certification of Language Proficiency, as a step toward permitting the Language Qualifications Register to reflect the FOD's true proficiency status.

2. Vietnamese Language Training

On 1 August 16 men from DDP [REDACTED] commenced an 8-week full-time training course in Vietnamese. One week later on 8 August 10 students from DDP/FE will begin a 26-week full-time training course in Vietnamese.

attendance at the Army War College: "In addition to building rapport both personal and organization wise, a good deal of my time was devoted to clarifying (security permitting) many misconceptions concerning the Agency. The student body and many members of the faculty were sincerely interested in the Organization's capabilities, missions and contributions vis-a-vis national security. All Agency speakers were well received and made significant contributions toward better understanding of the Agency's role within the Government structure. I would, however, suggest for future that one or more speakers concentrate on the Agency's relationship with DOD and those areas of joint activity with the various services."

4. Courses in PPB

We have 10 requests for the next two-day Executive Orientation in PPB (18 August) for which we will probably be given only five spaces:
